A black and white cartoon illustration. In the foreground, a person wearing a cap and sunglasses is looking up at a map of a mountain. The map shows contour lines and the peak of the mountain labeled "2058". The name "GUGELHUPF" is written across the middle of the mountain's slope. In the background, the actual mountain peak rises above the clouds, also labeled "2058" and "GUGELHUPF". The sky is filled with various cloud shapes.
